# GROSSMONT COLLEGE ARTS AND COMMUNICATION COMPLEX

The first phase of the project was a 38,680 SF., 390-seat Performing and Visual Arts Center, which included one of the largest stages in the county, an orchestra pit, and a balcony for the theater, dance, and music programs at the college. The center also included new dressing rooms, a green room, a costume area and a makeup classroom as well as housing the college's Hyde Art Gallery.
