

ANTELOPE VALLEY SOLAR RANCH 1

Baker Electric was chosen to complete the final phase of the Antelope Valley Solar Ranch One, and installed 61.23 MW of the total system.

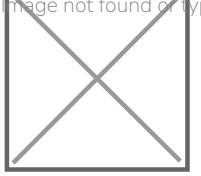

Located in the Antelope Valley area of North Los Angeles County, the 230 MW AV Solar Ranch One is a utility scale solar project that will produce enough electricity to meet the annual energy needs of about 75,000 average homes.

To date AV Solar Ranch One is one of the largest PV solar projects in the world.

This Antelope Valley Solar Ranch project is owned and operated by Exelon Corporation.
