SAN DIEGO COMMUNITY COLLEGE CÉSAR E. CHÁVEZ

The César E. Chávez Campus of the San Diego Community College District is a landmark project located in the heart of Barrio Logan, designed to deliver accessible, high-quality continuing education to the surrounding community. This transformative development features a 67,924-square-foot, three-story instructional building and a 70,000-square-foot, five-level above-grade parking structure, with additional underground parking for 149 vehicles and a detached garage offering 320 more spaces.

The campus serves as a hub for vocational training, ESL, Adult Basic Education (ABE), GED preparation, and Emeritus (55+) programs, as well as Parent Education and Small Business Management offerings. It includes 22 classrooms, a multi-purpose room, student gathering areas, and thoughtful amenities like bicycle storage, changing rooms, and seamless public transit access.
