SHARP REES-STEALY SANTEE MEDICAL CENTER

New construction of a 86,000 SF, three-story facility located on a formerly vacant lot in Santee, California. Designed to serve the growing healthcare needs of East County residents, the building centralizes a wide range of medical services previously scattered across multiple locations. Operated by the Sharp Rees-Stealy Medical Group, the facility brings together 21 clinics and specialties under one roof—including urgent care, radiology, pharmacy, pediatrics, OB/GYN, family and internal medicine, dermatology, physical therapy, optometry, and ophthalmology. This state-of-the-art complex enhances accessibility and continuity of care by providing a comprehensive healthcare destination in a single, convenient location.

Project Specs
